

OPEN POSITION

Applications Engineer *Sencorp and CeraPak*

SencorpWhite is looking for a full-time Applications Engineer. This engineer will be responsible for supporting Sencorp thermoformers and CeraPak systems with design concepts, estimated cost, and lead-time based on internal or customer requirements. Following SencorpWhite engineering standards, the Applications Engineer will interface directly with sales, and as required, customers to understand requirements and describe the proposed solution. Additional knowledge of and interface with engineering, production control, purchasing, and manufacturing is required to accurately estimate feasibility, cost, and lead-time for each project.

SencorpWhite Applications Engineers are expected to:

- Thoroughly understand customer requirements, then research and propose solution(s) that meet those requirements
- Prepare word-drawing(s) that clearly define SencorpWhite's proposed solution, and as required, CAD drawings to support sales proposals.
- Develop cost and lead-time estimate(s) that accurately reflect the proposal and SencorpWhite capabilities.
- Interface with sales, engineering (internal and external), production control, manufacturing and purchasing as required.
- Lead project kick-off providing the actual project cost and time-line as proposed.
- Interface with third-party vendors as required.
- Travel to customer up to 25% (international travel may be required).

In order to be successful in this position you will need to meet the following requirements:

- Engineering degree or equivalent experience.
- +10-years experience in engineering, manufacturing, cost estimating, and project management.
- Exemplary interpersonal skill required to communicate internally and with customers.
- 3D CAD solid modeling experience.
- Experience designing, quoting or selling standard and custom machinery.
- Conversant with power and controls architecture.
- Special machine design experience is highly desirable.

Interested candidates please notify Noelle Forde or have the candidate email their resume to jobs@sencorpwhite.com.

\$500 Employee Referral Award for this position.
