AT A GLANCE

www.sencorpwhite.com

Address: 400 Kidd's Hill Road, Hyannis, MA 02601

P: 508-771-9400

Top Local Executive: Brian Urban, CEO

Full-time/FTE employees: 220

Year founded: 1947

Company locations: Accu-Seal San Marcos CA; Intek Snoqualmie WA; and Minerva San Diego CA

PRODUCTS We manufacture machinery for three product lines.

- Thermoformer machines to make plastic packaging.
- Automated Storage and Retrieval Systems for inventory control.
- Medical Pouch and Tray Sealers to provide sterile packaging for surgical procedures.
- We also provide cutting-edge warehouse management software.

MARKET/CUSTOMERS Our thermoforming machines are sold to companies in the plastic industries; customers include Duracell, Gillette, Covidien and Costco. Our storage and retrieval systems provide machines to Boeing, Caremark, Airbus, the US Military and hospitals nationwide. Our laboratory heat sealers service customers in the medical device and industrial packaging industries.

CAREER/JOB OPPORTUNITIES We are recruiting positions company-wide due to our growth. Open positions include Mechanical/Electrical Assemblers, Welders, Machinists, Stockroom Attendants, Mechanical/Electrical Engineers and nationwide Field Service Engineers. We are looking for good people with a great work ethic. We will provide on-the-job training to all new employees. All jobs are also posted internally, giving our current employees an opportunity for career growth and advancement.

Jacob Monroe

Age: 24

Position: Junior Mechanical Engineer

School: University of Massachusetts of Dartmouth

Years at company: 4

Jacob was hired as a Cut-Off Operator and received hands-on experience with the manufacturing process. While attending school for Mechanical Engineering, he continued to work part-time at SencorpWhite and is now a Junior Mechanical Engineer.

“SencorpWhite has given me the opportunity for advancement. I started at SencorpWhite as a Cut off Operator and I now work in Engineering as a Jr. Mechanical Engineer. I am eager to learn more and apply the skills I have already gained at SencorpWhite.”

COMMUNITY ENGAGEMENT Employees participate in quarterly blood drives, donation drives for our troops. Holiday giving to Veterans, children in need and food donations to local pantries.

ENVIRONMENTAL AWARENESS We have installed rooftop solar panels that provide our electricity. We also have energy-efficient lighting with auto sensors.
