## OPEN POSITION

### Mechanical Technician x 3

**Location: Hyannis MA**

#### **Primary Duties & Responsibilities:**

- Constructs and assembles machines - working from shop orders, bill of materials, blueprints, schematics and written/verbal instructions.
- Notifies Work Lead and/or Supervisor regarding any discrepancies in engineering/manufacturing. Offers recommendations to solve problems.
- Documents on drawings changes made during assembly
- Tests, debugs, dis-assembles, modifies, reworks and re-assembles assemblies when necessary.
- Maintains a clean, safe and healthy work environment. Reports any safety issues, including “near misses” and accidents as soon as possible.

#### **Required Skills and Abilities:**

- Demonstrates a positive team spirit in daily activities.
- Exhibits zero tolerance for repeated errors and quality of work.
- Ability to present technical information in a positive and understandable manner.
- Demonstrates a professional demeanor, especially when on-site with customers.
- Must strive for continuous improvement and excellence, both technically and in service.
- As a self-starter, must possess the ability to be resourceful, work independently, where appropriate, and recognize when higher intervention may be necessary.
- Must be able to read/interpret mechanical design prints (blueprints).
- Must be able to work overtime when requested.
- Travel up to 25% of the time.

#### **Education and Experience:**

- High school diploma, GED or equivalent work experience required.
- Two+ years of previous pneumatic & hydraulic tools experience strongly desired.
- Certificate program or advanced training in mechanicals a plus.
- Continuous improvement in skill-set required.

#### **How to Apply:**

- Email your resume to [jobs@sencorpwhite.com](mailto:jobs@sencorpwhite.com).
